PROFILE

With over 5 years of experience, I specialize in transforming concepts into impactful video content for businesses and high-profile clients. Proficient in Adobe Creative Suite, Blender, and DaVinci Resolve, I create compelling visuals through advanced editing, motion graphics, and color grading to drive engagement and deliver results.

PROFESSIONAL EXPERIENCE

○ Freelance Video Editor & Motion Designer

Independent | 2020–Present

- Produced over 100 high-quality video projects for brands, agencies, and influencers.
- Collaborated with marketing teams to develop visual strategies that increased engagement by 40%.

○ Prince Fragrance

Video Editor & Motion Designer | August 2025 - Present

- Created UGC videos, 3D animation videos, and animated graphics to enhance brand storytelling.
- Developed content that boosted client engagement and platform interaction.

○ CineSahara
